Products such as MS Teams, Slack, Trello and Google hangouts can facilitate informal group learning when faced with new challenges. This changes the skills needed in an L&D professional from 'sage on the stage', creating and presenting learning, to a 'curator-concierge' model in directing learners to excellent existing learning content. This is also a shift in mindset as well as skill ...

It has been four years since the last event, as the conditions did not help to hold it. This year, although is not a good year due to the COVID-19 pandemic, the communities involved with the event believe in holding it as a virtual event. This decision was made for two main reasons: Firstly because the cost of hosting a virtual event is minimized, Secondly because we need to feel again that we ...
