[German exercises: Dative prepositions](#)

German prepositions are a vital part of the German language. In fact, no matter if you look at the German, English or Spanish language, prepositions are necessary for holding sentences together. Without prepositions, we wouldn't be able to give simple instructions or directions. You might think that learning German might work just like in the English language: learn the right ...

[German exercises: Accusative prepositions](#)

German has dative, accusative, genitive and two-way prepositions and postpositions. Each preposition causes the adverbial expression on which it acts to take the case of the preposition. Two-way prepositions cause the adverbial expression to take the accusative case if the verb indicates an action or the verb refers to something that is not changing location ...

Summary Chart. Note: As in English, the meanings of the prepositions in German are quite flexible, and very important to know, since these little words come up all the time. As a result, it is difficult to give English equivalents for a list like this. The compromise used below is to give their primary meaning, although other meanings occur particularly often.

[German Prepositions That Take the Accusative Case](#)

When prepositions are used as a part of fixed phrases (as with the German verbs with prepositions) then they often lose their original meaning. The whole verb-phrase (verb + preposition) then receives a new meaning. The consequence: The connection verb + preposition is very hard to learn. And because of this it will be even harder for you to learn than the noun ...
