It is my hypothesis that the fundamental source of conflict in this new world will not be primarily ideological or primarily economic. The great divisions among humankind and the dominating source of conflict will be cultural. Nation states will remain the most powerful actors in world affairs, but the principal conflicts of global politics will occur between nations and groups of different ...

The hypothesis is that God raised Jesus from the dead, and I don't think he's shown that that is improbable. Indeed, given the specific evidence agreed to by the majority of New Testament historians, I think that it is quite probable that in fact Jesus rose from the dead. R. T. France, who was a New Testament scholar at Oxford, makes the following point. He says, "Ancient historians ...

Introduction In the first chapter of the Book of Exodus, we learned of the cruel oppression of the Israelites by the Egyptians. God's blessings of the Israelites caused the Egyptians to fear them and to attempt to insure their control over them. This began with enslavement and harsh treatment. When this failed, Pharaoh ordered the Hebrew handmaids to kill all the Israelite boy babies at birth.
