The grammar is accurate and covers the major aspects needed to reach intermediate-low to intermediate-mid proficiency. It is greatly detailed to provide as many opportunities for students to understand it, and in particular, it is in English to help with comprehension. There are quite a few comparisons with the American cultures and English grammar, which is a great way to make an impact on ...

Within the grammar focus, I think it could use more exercises given that there is no accompanying workbook. I would have liked to see more communicative exercises, that is exercises to do with partners instead of solo. There are partner exercises, but there are some solo exercises that could be more productive as partner exercises in order to push students to novice-mid or high in their oral ...
