This is one of the best graphic design books you can read to the motivation needed to start your career. In my opinion of one the best graphic design book (high rating as well) that doesn't talk about the specifics of it, but more about the adventure, emotions and how to live it. View on Amazon . Thinking With Type / by Ellen Lupton

[Graphic Design Theory](#)

The book offers new insights and understanding of design thinking, based on evidence from observation and investigation of design practice. Design Thinking is the distillation of the work of one of Design's most influential thinkers. Nigel Cross goes to the heart of what it means to think and work as a designer. The book is an ideal guide for anyone who wants to be a designer or to know how ...
